SCHOOL REPORT.

The school board respectfully submit the following report :

Our scholars have had two terms of school, of ten weeks each, beside a winter term of ten weeks high school.

We have tried to secure the services of capable teachers, and have instructed them to maintain good order, — without which no school will do its best, — be thorough and practical in their teaching.

When they have performed good work, we have endeavored to retain their services ; but we find that our best teachers, usually in a short time, command higher wages elsewhere.

As a rule, teachers that have had special instruction and fitted themselves for their profession have done the best work. If any of our scholars intend to be teachers, we would advise them to take a normal course and do their very best. The old adage, the bottom of the ladder is crowded but plenty of room at the top, is true in regard to teachers.

We bought a lot for house No. 6, which was presented to us by the city of Laconia, and have moved the same upon it. Also shingled the house.

The plastering in house No. 1 was falling off in large patches, and we have had it sheathed all round.

Our schoolhouses need painting very much. It will be economy to raise money and have them painted this year.

Following is the roll of perfect attendance, statistical table, and financial report :

LIBRARY REPORT.

To the Citizens of the Town of Gilford:

The report of the trustees of the Gilford Public Library for the year ending Feb. 15, 1899, is herewith submitted. The library at the present time contains 722 volumes; added since last report, 122 volumes. The addition has been made wholly from the appropriation by the town. Sixteen volumes of old books have been rebound. The total number of books loaned the past year has been 1,831, classed as follows: Fiction, 1,698; history, 49; general literature, 22; travels, 30; art, 4; biography, 7; poetry, 15; natural history, 3; juvenile fiction, 2; science, 1. Decrease in books loaned, over last year, 538. New subscribers added, 30. Largest number of books loaned in any one day, 55.

You will notice a decrease in the number of books loaned the past year, which is probably largely due to the diverting influence of the war news of the past year, and partly to the fact that no new books were added until recently. We are glad to notice, however, that more interest is again being taken in the library.

JOHN B. MORRILL,
CHAS. O. COPP,
HERBERT A. JONES,
Trustees.

HERBERT A. JONES, *Town Clerk.*
